disproportionately affect women, like the wage gap or long economic recovery after experiencing domestic violence. The Feminist Financial Handbook has stories and advice from real women who have been there, worked through it, and come out the other side. Full of engaging style and compassionate guidance, the Feminist Financial Handbook is packed with the best financial advice for women written by women. The Feminist Financial Handbook presents a feminist view on financial realities...
Once Upon a Mail Order Bride - Linda Broday

When the West was wild and man’s law favored the few, these extraordinary women could be found...in the heart of an outlaw. Accused of crimes he didn’t commit, ex-preacher Ridge Steele is forced to give up everything he knew and make his home with outlaws. Desperate for someone to confide in, he strikes up correspondence with mail-order bride Adeline Jancy, finding in her the open heart he’s been searching for. Upon her arrival, Ridge discovers Adile only communicates through the written word, but he knows a little of what trauma can do to a person and vows to stand by her side. Adile is eager to start a new life with the kind ex-preacher and the little boy she’s stolen away from her father—a zealot priest of a terrorized flock. As her small family settles into life at Hope’s Crossing, she even begins to find the voice, and confidence, she’d lost so long ago. But danger is not far behind, and her father will not be denied. While Adile desperately fights the man who destroyed her childhood, a determined Ridge races to the rescue. The star-crossed lovers will need more than prayers to survive this final challenge...and find their way back to each other again.
